

ABOUT

The NSWPHA is a proud, volunteer run association with a rich history spanning 42 years. Our membership consists of a range of individuals who are passionate about the promotion and showing of the Paint Horse breed.

We are committed to providing our members with the opportunity to connect and grow with likeminded individuals while enjoying our fabulous breed. Our main event is the NSWPHA State Championships, held annually attracting competitors from all over Australia.

The show is a massive undertaking by a small but passionate committee who are determined to give their members and the public a wonderful experience.

We value the support of our sponsors who play an integral role in making our State Championships possible. We are proud to offer the opportunity to be a part of our ever-growing, dynamic association through sponsorship.
